

GALILEO DECO

ELEGANT ADA WALL SCONCE

The Galileo Deco series is an elegant wall sconce available in a 38" or 51" tall size with 4" ADA compliant depth and multiple cage styles to choose from. This fixture was designed with architecture in mind and is perfectly suited for applications such as retail, dining, hospitality, and much more.

New options such as RGB-LED tuning technology allows you to adjust the illumination and color to best match your application's needs and/or occasion.
